描述

The screenshot shows the '健康管理平台' (Health Management Platform) interface. At the top, there are navigation tabs and a search bar. Below that is a table with columns for '体检日期' (Checkup Date), '姓名' (Name), '疾病分类' (Disease Category), '体检卡号' (Checkup Card No.), '方式' (Method), '体检类型' (Checkup Type), '单位' (Unit), '颜色预警' (Color Warning), '异常值' (Abnormal Value), '上报人' (Reporter), '上报日期' (Report Date), '回访时间' (Follow-up Time), '回访人' (Follow-up Person), '首次回访' (First Follow-up), '回访状态' (Follow-up Status), '是否短信回访' (SMS Follow-up), and '操作' (Action). The table contains two rows. The second row is highlighted in grey and has a red box around the '回访时间' column. A red arrow points to the '随访' button in the '操作' column of this row. A red box at the top of the interface contains the text '已回访, 不可删除!' (Already followed up, cannot delete!).
